

WHAT'S COMING UP?

Next Tuesday we have 27 students who will be taking part in the Eastern Bay of Triathlon in Ōpōtiki. It is great to see so many students choosing to take part, many of whom have never done an event like this. Our Triathletes are really excited and I know they have our entire school community behind them. Once again thank you to our amazing parents and whānau who are taking transport to this event.

It was unfortunate that we had to postpone our 'Meet the Team' evening, a new date for this will be confirmed very shortly and we would love as many of you as possible to join us for an informal catch-up. **Watch this space!**

THE NUKUHOU NEWS - T1 W3

Kia ora Parents and Whānau,

A big thank you to all our parents, whānau and school community who attended our pōwhiri last Friday. It was a great occasion for our school and you can all be very proud of the welcome you gave to both myself and Matua Niwha and all our new students.

I also want to thank you, our school whānau, for how easily you adapted to this weeks covid-19 level change. The effort you made to ensure you signed and scanned in at the office and wait in your cars when picking up your tamariki made things easy for us as a school. It is great to know that we are all ready to adapt to changes should covid-19 force these upon us.

A reminder that **school is closed on Monday 22nd February** to allow our teachers to attend a day of professional learning and development alongside the teachers from the Whakatāne schools. These opportunities are great for our staff as it enables them to gain new and different ideas and bring a range of new skills back into our classrooms.

I'm very happy to see our students are settling-in well to the new school year, there is a very friendly, happy vibe throughout our classrooms and in the playground and I look forward to this continuing.

Have a great long weekend, we will see your tamariki back here on Tuesday.

Ngā mihi nui,

Matua Josh
