PERMANENT PRINCIPAL CONFIRMATION

The Nukuhou North School Board of Trustees would like to welcome Matua Josh as our permanent principal. Josh was recently appointed to this permanent position and we look forward to the skill sets Josh brings to this role and the ability for Josh to build on his work in term one. We thank the schooling community for their input and know you will join the board in welcoming Josh, Kelly and their young whānau to our community.

Charles Harley, Chairperson, Nukuhou North School Board of Trustees

EXCITING TIMES AHEAD

Firstly, I would like to publicly thank the Board of Trustees for giving me the opportunity to lead our school on a permanent basis. It is most certainly my privilege to be the principal of Nukuhou North School and I am excited about the future of our school moving forward.

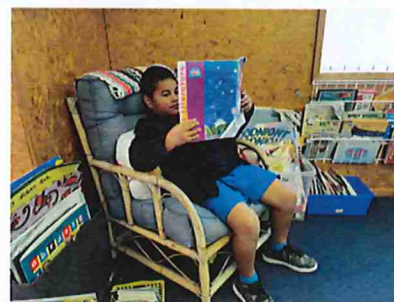

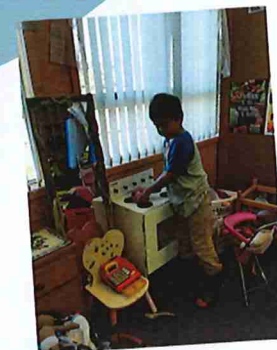

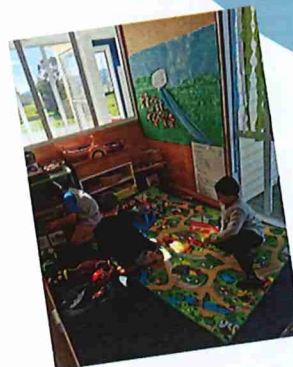

To our entire school staff and community, it has been great getting to know you so far and I look forward to strengthening those connections as we all contribute to the future of Nukuhou North School. I have thoroughly enjoyed getting to know our awesome tamariki here at Nukuhou and I am committed to doing my absolute best for them.

I also acknowledge the work of the previous principal, Margaret Verboom. Margaret has done a lot behind the scenes to support me and my transition into the principal role. Tēnā koe e te rangatira.

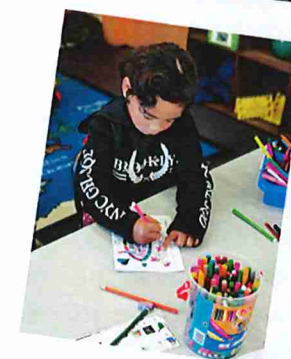

I truly appreciate the community support I have received so far and feel lucky to have become part of a friendly, positive, welcoming school community. Please know that my door is always open and your thoughts, ideas and contributions are most welcome.

Ngā mihi nui
Matua Josh Te Aomarere

NEW JUNIOR ROOM

If you are looking for our year 1/2 tamariki you will now find them in what was previously the school library. It has been great seeing our youngest learners enjoying a bigger learning space! A big mihi to Whaea Emma and Matua Ray who spent a significant amount of time during the holidays transforming this space!

Week 3 is Anti-Bullying Week

WK 1 ACHIEVERS

Congratulations!!

LOST PROPERTY

We currently have a significant number of items of lost property at school. Many of the items are named and some students are choosing not to take them home.

Today we have put all lost property items out on display for our tamariki to claim and take home. On Monday afternoon next week the remaining items will be on display at the end of the day so that whānau can have a look when you arrive to pick up your child. Space at school is VERY limited and we are unable to use that space for unclaimed items of clothing etc.

Whānau are welcome to come and view the lost property at any time next week, simply come and see us in the office.
